

Families of the Shelby City African American Cemetery

[The Cemetery on Find A Grave](#)

As information is added to this file, please follow these conventions for the purposes of consistency:

1. Dates should be in DMY format, i.e., 24 April 2014, with the month either spelled out or abbreviated. Do not use just numbers, as these can become confusing.
2. CAPITALIZE surnames. It is easier to find people this way.
3. CITE sources for as much information as possible, and be as specific as possible with the citations. If there is conflicting information, cite the source for each fact.
4. Minimize abbreviations. Ones such as "b" for "born", "d" for "died" are fine. For multiple marriages, use "mar(1)" and "mar(2)".
5. Put places between the abbreviation and the date, i.e., "b Danville 1845".
6. List each child on a separate line, prefixed by the child's numerical order in the family, then the surname, i.e., 1--PENMAN, George.
7. In general, follow the format for this family:

ARNOLD, George, b KY 1840; prob mar(1) Patsey _____, b 1839; mar(2) Elmira _____, b KY 1845, par b KY. Margaret CRAWFORD, b MD 1810, res here 1870. Granddaughter Kittie B ARNOLD, b KY 1878, par b KY, lived here 1880C.
