

US Colored Troops Muster and Descriptive Roll, KY 7th Congressional District

Boyle and Lincoln Counties (Dist 7 also included Woodford, Franklin and Mercer)

On some records, it is difficult to tell the difference between first and last names. The recorder seemed to switch between Last name first and First name first.

In those instances, I have tried to match the soldier's last name with the owner's last name, if possible. There WILL be errors nonetheless.

In nearly every case, terms of enlistment were for 3 years; eye, hair and complexion listed as "Black".
