

World War I Draft Registration Cards, 5 June 1917, Boyle County, KY, African-Americans

During World War I, there were three registrations.

The first was on June 5, 1917, and registered men between the ages of 21 and 31 (born between 1886 and 1896).

The second was on June 5, 1918, and registered men who had turned 21 since June 5, 1917 (A supplemental registration on Aug. 24, 1918, registered those becoming 21 since June 5, 1918.).

The third was held on September 12, 1918 and registered men 18 through 45.

So, all men born between 1872 and September 1900 who were not in active military service by June 1917 filled out draft registration cards, whether they were native born, naturalized, or alien.
