Compiler's Note

The information contained herein has been compiled since 1968 with assistance from many current, former, and late Oakland area residents and many students who, as part of my history classes, were “forced” to trace their Oakland area families at least a few generations. All information, then, is either from public sources (census records, vital records, newspaper obituaries, etc.) or from voluntary contributions. Errors are almost certainly mine, and researchers should only use this information as a guide.

The information is offered as the reader sees it — as is, where is, sort of like a used car deal, no warranties, expressed or implied, as to whether it will “work” as the reader expects.

Working with so many surnames over a period of 50+ years, and dealing with teaching and raising a family, I have of course, not had the chance to do all the research I would have liked, though with retirement, that is changing family by family. Also, in the early years, there was no Internet, so all research had to be done the old-fashioned way, with pen, paper, done at libraries or town offices, where in many cases even a basic photocopy was not available.

Abbreviations are used frequently in this work. Most of them are self-explanatory, such as b (born), d (died), mar (married) and int (intentions), though I'm trying to replace “m” with “mar”, “m1” with “mar(1)” and so on. I had often abbreviated West Waterville as WWtv1 or WWaterville (however I believe all those have been changed), and Census as C (as in 1880C WWaterville = 1880 Census of West Waterville).

If a place is listed with no state, the reader should assume it is a place in Maine. Most out-of-state references are listed with their counties outside the northeast portion of the country. Also, Roster of ... 1917-1919 refers to *Roster of Maine in the Military Service of the U. S. and Allies in World War 1917- 1919, published under the direction of James W. Hanson, the adjutant general; by authority of the State Legislature, 1929, Volumes I & II*, which I used at the Oakland Public Library many years ago.

Also, if the place of an event is uncertain, I have prefixed a “?” to that place, so that “?Sidney” means that the event PROBABLY happened in Sidney, and uncertain dates are prefixed with “c,” “abt,” “aft,” or “bef” for about, about, after, and before .

The reference “Early Waterville Me. Families” at watervillegenealogy.com, is shortened as simply Early Waterville Families, as it is used so frequently. My sincere thanks to Cindy Spalding, who runs that website, for all her hard work, and for permission to use her information.

Many of the marriage records came from the “Bride’s Index,” originally compiled at the Maine State Archives, which was so inaccurate I hesitated to cite it as a source. In almost every case, the month was wrong, “1950” marriages were recorded as “1905”, and in many cases “Oakland” referred to the city in California! In instances where I can find no other source, I have indicated “CAUTION” in the entry. However, since I had used that imperfect source, the Index has apparently been corrected. The researcher is urged to check resources at FamilySearch.org for Maine Marriage Index or other record groups available there for free.

Also, since Oakland was part of Waterville until 1873, when it separated as West Waterville and was renamed Oakland in 1883, many of the entries for “Waterville” probably should be “West Waterville.” Researchers should keep this in mind, as so often if an entry says a person was born or married or died in Waterville, that person may well have been born, married, or died in present-day Oakland. The same situation applies with Dearborn — it may be present-day Belgrade or Smithfield.

Because the information was compiled over the past 40 years, there will be inconsistencies. For example, in some families, children’s given names are preceded by their surnames, but not so in other families – again, I am working to standardize that. Some families show up in the table of contents, others don’t, depending on the formatting I used for that family’s name in the headings.

Every good genealogist needs to source information; I have been less than perfect here, but I believe there are enough sources to satisfy the casual family researcher; in any event, please use this work as a guide, not as a perfect reference.

There is no index. As a PDF file, it is searchable with any of the free PDF reader programs out there, so an index is quite unnecessary.

If I had started this work now and were the age I was when I began it, I’m sure the product would be more perfect – though in genealogy, perfection is only a goal, not an expectation. The work would be more complete — though completeness is also a goal, not an expectation.

Finally, I believe that half a loaf is better than none, so, I’m putting this work out to the public in hopes that it will help someone on his or her genealogical quest.

K-3 ALLEN, Bernard Edward, born 25 Dec 1926, died VA Hospital, Togus, 16 Jul 2014, mar 4 Nov 1947 (*Sentinel*, 6 Nov 1947) Shirley Lucille BALDIC, d/o Warren BALDIC of Oakland, who died before 2014. His obituary says in part, he attended Waterville High School. Bernard left Waterville to proudly serve his country in World War II as a radioman in the Navy. Upon his return, Bernard was wed in 1947, to the lovely Shirley Lucille Baldic. Bernard and Shirley lived most of their lives happily and quietly, on a beloved farmstead in Sidney, where animals outnumbered humans 10 to one. Just the way he liked it. Bernard's love and compassion for animals was well-known. He was quick to forgive a swift kick from a horse or a sharp bite from a mean old goose and there was always room by the fire for barn kittens that'd fallen into a bucket of water in winter. Bernard was also a resourceful man and had many jobs throughout his life: dairy farmer, salesman, amateur woodworker, and finally on to a successful and fulfilling career as business manager for the state of Maine in civil defense, agriculture, and eventually with the attorney general's office.

RACKLEFF, born Oakland 6 Sep 1933, d/o George and Grace
(WHEELER) RACKLEFF, died 26 Jul 2015.
- He graduated from Lisbon High School, Class of 1949. He then
studied Chemical Engineering at the University of Maine at
Orono, until 1951, when he entered the US Navy. He attended
naval training schools in Jacksonville, Fla. and Memphis, Tenn.
before serving overseas during the Korean War. Following his
military service, Arthur received his Bachelors of Arts Degree
from the University of Maine with a minor in Mathematics in
1959. He earned his Masters in Education from UMO in 1990.
Arthur was employed by the Rathen Corp in Philadelphia, and
then IBM where he was a computer programmer with NASA
during the Gemini, Apollo, and Saturn Space Programs, and
later on the Anti-Ballistic Missile Program. In 1972, Arthur
joined S.A.D. #47 in Oakland as a Middle School Teacher and
later became Assistant Principal, where he was known to
generations of students as Mr. "A". While at the Middle School,
he was football and baseball coach and also coach for various
Little League teams. Arthur was Director for the SAD #47 Adult
Education Program for many years and a longtime member of
the School Board. He was an American Softball Association
(ASA) umpire for both High School and College. Arthur was a
passionate outdoors man, as an avid hunter he enjoyed many
hunting trips with his brothers-in-law, his sons, and his
grandsons. He also enjoyed ice fishing with his son-in-law and
grandsons. In addition, he was a voracious reader and avid

follower of sports, traveling miles to watch his sons and grandsons play. As "grandpa", there wasn't a son, daughter, grandchild, or great-grandchild who didn't find peace falling asleep on his big shoulders. Arthur and his wife Phyllis loved the ocean and enjoyed many years of travelling the world on numerous cruises and vacations with close friends before settling down in Naples, Fla. to avoid the hard Maine winters. They would spend most of their summer days on the coast of Maine in Ogunquit. He was predeceased by his wife Phyllis (Rackleff) Anicetti on July 26, 2015. They shared 59 years together. He is also predeceased by three brothers, Robert, Lawrence, and Frank.

Louise Ruth Axtell Pullen died peacefully surrounded by family Feb. 9, 2011, after a long battle with multiple sclerosis and mouth cancer. We all give much thanks to the outpouring of support by family and friends. Louise was born in Oakland on Aug. 4, 1931, the daughter of Helen and Frank Axtell by whom she was predeceased. Louise spent much of her childhood living with her grandmother, Donna Axtell, and graduated from Williams High School in Oakland in the class of 1949 and then the University of Maine at Farmington. Louise married her longtime sweetheart Horace Pullen on Dec 22, 1951. They spent their early married years in Everett, Wash., while Horace was in the USAF and moved back to Oakland in 1954 where they have

resided since. Louise taught school for several years in Oakland and is a long-time member of the Oakland/Sidney United Methodist Church, where she taught Sunday school for many years. She was a longtime supporter of the Home for Little Wanderers and the Oakland Food Bank and was an active member of the Oakland Garden Club. Louise was beloved by her family, and everyone remembers the twinkle in Louise's eyes when family visited. Thanksgiving, Christmas and many occasions at home and camp have been favorites of Louise and family for many years. Baldwin, Bacon Genealogy: Michael Bacon of Dedham, 1640 and His Descendants, 1915, p53-55 says in part: "Ebenezer BACON of Billerica appears as enlisted in Capt Joseph WINSLOW's regiment May 31, 1754, and was in service four months and two days. In 1755 he enlisted in Capt William LITHGOW's company and was in service at Fort Halifax, Me., until Apr 19, 1755. The name of Ebenezer BACON appears in an account rendered in 1757 by William LITHGOW for trucks for carriages; for repairing boats; for hauling hay from the storehouse to Fort Halifax; for thirty gallons of rum from June 7, 1756, to June 1, 1759, for soldiers at Fort Halifax and the storehouse; for building stores, for hay and for bounty paid various soldiers. After his service he remained and settled in what was afterward called Vassalborough. This town was incorporated Apr 26, 1771, and at the first town meeting he was chosen one of three constables, but declined to serve. He afterward did serve, for we find that he was ordered to give notice of town meeting Jul 13, 1775. In 1777 he was chosen tithing man and in 1778 surveyor of highways. June 23, 1779, he was a delegate to a county convention at Wiscasset to consult as to what measures may be proper to be taken respecting the British landing at Penobscot. His first purchase of land was in 1769, when he purchased of his brother James land on the west side of the Kennebec River, though he had previously received in 1763 a grant of land. The land he bought of James he sold in 1772 and speaks of it as being in Vassalborough. The part of Vassalborough on the west side of the river was set off and made into the town of Sidney Jan. 30, 1792." His will dated 12 Feb 1798 was probated 2 Aug 1798, with son Ebenezer BACON of Vassalboro as executor (Patterson, Probate Records of Lincoln County, Maine 1760-1800, 1895, p364-366.)

Sentinel, 21 Oct 2010: FAIRFIELD — Two people were killed in a two-car crash early Wednesday evening at the entrance of a Big Apple Store on Route 139. A red Ford Focus turning left toward the store drove into the path of a black Audi sedan traveling west on Route 139, said an eyewitness. Police confirmed that two people in the Ford were killed, but didn't release their names. The driver of the Audi walked away from the accident. Lee Ann Chapman was sitting in her Jeep waiting to turn out of the Big Apple parking lot, as the driver of the Ford turned into the same driveway. "There was nowhere for him to go. There was nothing he could do," Chapman said about the driver of the Audi.

Chapman said she got out of her car, called 911 and went to help the people in the Ford, whom she described as an elderly couple. One of them was pronounced dead at the scene. Paramedics were working to keep the other alive as a LifeFlight helicopter landed in the middle of the road at 6 p.m. That person died in the ambulance, police said. Ambulances, fire trucks and police cruisers surrounded the crash site, blocking traffic from both directions. Cars traveling west were redirected onto Wood Street. Neighbors lined up along the side of the road and in front of the convenience store, watching as rescue workers cleaned up after the crash. Police did not return calls seeking more information about the victims by 9 p.m.

FAIRFIELD — The two people who died in a two-car crash Wednesday were an elderly couple from Sidney. Henry and Priscilla Bacon, both 90 years old, died at the scene of the accident near the entrance of a Big Apple Store on Route 139, police said Thursday. Henry Bacon was trying to turn left into the Big Apple when he drove into the path of a black Audi traveling west on Route 139 around 5:15 p.m.. Anthony Silvestri, 27, of Madison, was driving the Audi. He walked away from the accident. Fairfield Police Chief John Emery said the likely cause of the crash was driver inattention — that Bacon didn't see the Audi coming. Emery said he didn't believe speed, alcohol or drugs were factors.

D BARTLETT, Robert Karl, son of William Arnold and Ruth (PACKARD) BARTLETT, born Rockport 28 Nov 1931, died Augusta 22 Dec 2018, mar Rockport 12 Jun 1955 Betty Ann LAWTON, born Providence, RI 27 Jan 1933, died Waterville 6 Feb 2014. His obituary reads in part, He graduated from Rockport High School in 1950. He served four years in the U.S. Navy as a Machinist Mate First Class on the USS Power DD 839, from 1951 to 1955. He attended Northeastern University and graduated from Wentworth Institute in Boston with a degree in Mechanical Engineering. In 1963, he designed and built the family home, in Oakland, and it was there that he and Betty raised their four children. He was employed by Keyes Fibre as a Project Mechanical Engineer from 1961 to 1988. He took great

but quiet gratification in his engineering designs, some of which are still being used today due to the fact they were so well engineered, there was little or no room for improvement. His career allowed him the privilege to travel many places including Holland, Norway, Australia, Germany, France and all over the United States. Between his Navy and work travels, he visited over 31 countries. After his early retirement from Keyes Fibre, he co-founded Wrabacon, Inc.; a company that is currently owned and managed by his son. He retired from Wrabacon, Inc. in 1996. For many years, he and his wife also owned and operated Bartlett Christmas Tree Farms, in several locations. He was also a member of the Rockport Masonic Lodge. Bob was a jack of all trades, an avid hunter, a furniture maker creating something special for everyone in the family. He was an expert gardener competing with family and neighbors on whose tomato was the biggest. He always knew the answer to any question posed and owned up to very strong opinions. He enjoyed fishing with several special friends to whom he regaled many a story. He enjoyed reading and crossword puzzles. He was never one to sit idle; always on the move doing something productive. He took special pride in his ancestry, documenting a direct line to the Mayflower.

Her obituary reads in part, As a young child, her family moved to

Rockport, Maine, making their home on Beech Hill. She had a wonderful childhood, often times recanting her beloved memories. She graduated from Rockport High School in 1950 as an honor student and basketball player. It was there on Beech Hill, where she met and later married her sweetheart and next-door neighbor Robert K. Bartlett on June 12, 1955.

She and her husband lived in Manchester, N.H., Brookline, Mass., and Bath, before they made their final home on Tukey Road, Oakland, in the house they built together in 1963 and it was there that they raised four children. She and her husband packed up their children and spent six months in Indiana for her husband's career. She worked in the Oakland school district for many years under the Title I program, which she thoroughly enjoyed. She also worked as a US census coordinator. She was a member of the Oakland Garden Club and the Eastern Star. She had several treasured friends in her life that she loved dearly. She very much enjoyed playing Bridge with her Bridge group. She was a dedicated wife, mother, and homemaker, and was active in many school functions with her children. She enjoyed creating crafts, cooking, furniture finishing and stenciling. She was an avid reader and gardener. She passed the love of beautiful gardens to her children and grandchildren having spectacular perennial and annual flowerbeds. Betty was a family-oriented woman who cherished family get-togethers and made birthdays and holidays extra special. Her love of family was extraordinary. She and her husband enjoyed travels to Norway, Scotland, and Ireland. She was a woman of great faith and prayer and a member of St. Mark's Episcopal Church. She truly believed in living life to the fullest and seizing each

moment as if it were the last.

She was born February 19, 1924, in the Sidney farmhouse she resided in until her admission to Lakewood in February. Christine, the fourth of five children born to Harold and Ella (Cowan) Benson, grew up in a close-knit, devoted, Christian family. She graduated from Williams High School in 1942. She attended Gordon College, Farmington Teachers' College, Gorham Normal School and graduated from Providence Bible Institute in 1947. Christine taught school in the old, one-room school houses; first, in the Cowan School in Sidney, and later, in Belgrade. Together, she and Fred raised 4 children, returning to substitute teaching as the youngest reached school age. In 1972, she took a full-time job as a personal care aide and CRMA at Cowan's Boarding Home, currently Snowpond Residential Care, for 17 years, retiring in 1989. She adored her grandchildren and spent many hours "teaching" them during her retirement years. Christine was most often found in her garden, growing a variety of vegetables and beautiful flowers. Friends and neighbors came back year after year for her delicious corn. She was a staunch Republican and enjoyed following politics. She was a member of the Oakland-Sidney United Methodist Church for more than 70 years. Christine was predeceased by her parents; three sisters, Catherine Benson, Grace Benson, and Ruth Bulmer. BOSTON, Howard Hill, born Sanford 1922, son of Albert and Nina (_____) BOSTON, died Lewiston 20 Aug 2021, mar 1945 Fern Margaret WILLIAMS, born Philadelphia, PA 23 Jun 1924, died 10 Sep 2003, d/o Clyde R and Margaret Myers (JACOBS) WILLIAMS. His obituary reads in part, He joined the military in 1942 and proudly served our country during the second world war as a motor machinist mate. He spent some time in Panama, where he would tell you he learned to play his master game, cribbage. If you played him, you were playing the United States Navy. Once out of the Navy he married his wife of over 55 years, Fern Boston, in 1945 and worked for Scott paper mill wherefrom he ultimately retired. He may have retired from working, but he never retired from fishing. Starting at the age of 4, fishing was Howard's passion. He loved to share it with family, friends, and anyone who had a few minutes for a good story. His stories legendary, they were only out mastered by his sense of humor and intelligence.

Obituary from Wheeler Funeral Home: Robert Harold Bridges, 69, died January 11, 2013 at his home in Oakland following a brief illness. Born and raised in Oakland and Fairfield, Maine, he was the son of Harold and Evelyn Bridges. He married his high school sweetheart, Helen Bucknam on May 12, 1962. 2. A 1961 graduate of Lawrence High School, Bob worked at Diamond International, Keyes Fibre for 26 years and retired after 13 years at Sappi. A co-owner of Tenlots Lumber Company, he retired in 2001 to spend winters in Summerfield, Florida and summers in Oakland, Maine. An avid football fan, Bob spent numerous years volunteering for the Messalonskee Eagles: scouting, videotaping games and supplying the football team with Whoopie Pies and milks. Bob had a passion for fishing and hunting. Family and friends spent many days fishing on his boat the "Good Enuf" on East Grand Lake and hunting in the Tenlots woods. A member of the Messalonskee Mason Lodge #113, he also was a 32nd degree member of the Ancient Accepted Scottish Right of Freemasonry in the Valley of Portland and a member of the PACE Union Local #9.

Helen's obit reads in part, A graduate of Williams High School,

Helen worked at the Hathaway Shirt Factory until the birth of her children, when she became a stay at home mom. Upon her youngest entering kindergarten, she became a dishwasher, a cook and finally the director of school nutrition for the Messalonskee School District. She spent 30-plus years in the Messalonskee kitchen and had a hand in the design of the kitchen and cafeteria as it stands today. It was one of her biggest joys to feed her community's children and school staff. Along with her husband Bob, she spent many afternoons passing out

her home-made whoopie pies and milk to the Eagles Football Teams as they came up the field from their practices. Helen and Bob spent their retirement years as snowbirds, winters in Summerfield, Fla., and summers in Oakland.

His obit reads in part Birch was a strong, hard-working man with a huge heart and a sense of humor that drew you in. He had a few true passions in life which included enjoying the great outdoors, tinkering on things, helping others and his most treasured was enjoying time with his children and grandchildren. With a great sense of pride, he taught from the heart that family and hard-work would take you anywhere you needed to be in life. A man of few words at times, they always seemed to be the right ones and at the right time. He was an avid outdoorsman who truly enjoyed the opportunity to share his love of hunting, fishing, and camping, with many family and friends. Countless trips into the north Maine woods were stamped with his presence and simply unforgettable. When he wasn't outdoors, he could frequently be found working in his shop or garage tinkering on a wood or motor project. Birch was also a very caring man who often thought of others before himself and was willing to help wherever he could. His sense of humor was unique and having a good laugh with Birch was something anyone who knew him would remember. Birch was predeceased by his parents, Clifford and Arlene Brooks Sr.

BUCKNAM, Gary Alan:

From the Seattle Times, 15 Sep 1997: 2 Jets Apparently Collide Off Africa; No Survivors — Fishing Boat Finds Wreckage But No Sign Of American Plane

(AP) WINDHOEK, Namibia - A Namibian fishing vessel today found wreckage but no survivors at the site where U.S. and German military planes are believed to have collided and plummeted into the ocean.

The vessel picked up seats from the German plane and some papers written in German, said Capt. Joy Rautenbach of the Maritime Research and Rescue Coordination Center in Cape Town.

The debris was reported about 60 miles west of Cape Fria, Namibia. There were no signs of the American C-141 cargo plane and the nine American servicemen that were aboard when it set out Saturday, she said.

The two aircraft, carrying a total of 33 people, disappeared Saturday off the Namibian coast at a point beyond the reach of Namibian air-traffic-control radar, said Louie Lourens, deputy director of aviation security in Namibia.

Brig. Hap Potgieter, in charge of operations for the South African Air Force in Pretoria, said a nearly 24-hour delay in reporting the missing aircraft had hampered the rescue effort. He said he did not know why the delay occurred.

The U.S. Air Force C-141 Starlifter cargo plane had just flown cargo from Ascension Island to Namibia and was returning to the British island.

The Soviet-made German air-force plane was en route from Germany to Cape Town. Presumed killed were 12 German marines, two spouses and 10 crew members.

"We are presuming it went down in the Atlantic Ocean," Sgt. Ellen Schirmer said of the American plane. She is a spokeswoman for Air Mobility Command, headquartered at Scott Air Force Base in Illinois.

The names of the Americans, as released by McGuire Air Force Base in New Jersey, are: Capt. Peter Vallejo, Capt. Gregory Cindrich, Capt. Jason Ramsey, Staff Sgt. Robert Evans, Staff Sgt. Scott Roberts, Staff Sgt. Stacy Bryant, Senior **Airman Gary Bucknam**, Senior Airman Frankie Walker and Airman Justin Drager.

The men's hometowns were not made public. All are assigned to the 13th Airlift Squadron at McGuire, part of the 305th Air Mobility Wing.

Officials said a flight plan for the German plane had been filed in Germany but was never passed on, as required, by air-traffic controllers in Niger, where the plane had stopped to refuel.

Such critical procedures are often absent in Africa, said Jochen Sell, Namibia's chief air-traffic officer.

"It is normal in Africa," Sell said. "We have a big problem, a major problem."

The German plane had been expected to arrive in South African airspace Saturday afternoon, Potgieter said.

German diplomats informed rescue officials about the missing plane early yesterday afternoon.

A mayday distress call was picked up last night as a French airplane flew over the crash site, Rautenbach said. The signal was brief, and nothing other than the word "mayday" was heard, she said.

U.S. Air Force monitors in the European command also picked up a signal at about the same time, Potgieter said.

Two South African planes were scouring the area for signs of survivors, Rautenbach said.

"There were fog patches over the rescue site but the sea was calm," she said today.

American, German and British rescue teams also were taking part in the search.

From the Philadelphia *Inquirer*, 28 Sep 1997: Search Over For U.S. Crew Members The Plane, Based At McGuire, Disappeared Two Weeks Ago. Officials Have Concluded There Were No Survivors.

By Eric Dyer, INQUIRER CORRESPONDENT Posted: September 28, 1997

Military officials have ended their search for the nine crew members aboard an Air Force cargo plane that disappeared two weeks ago over the South Atlantic Ocean.

The U.S. Atlantic Command called off its rescue mission late Friday, concluding that there were no survivors from the Sept. 13 collision of a C-141B Starlifter, based at McGuire Air Force Base, and a German military plane. They apparently crashed about 100 miles off the African coast near Cape Fria, according to officials.

Brig. Gen. Craig Rasmussen, commander of the 305th Air Mobility Wing at McGuire, said the nine Americans "unselfishly dedicated their lives to the mission of peace through devoted service to their country."

Since the plane was reported missing, personnel at the Burlington County base had hoped that their colleagues would be found alive. But only a few pieces of the wreckage - including chunks of the tail and fuselage - and the body of a German woman have been recovered from the cold, shark-infested waters.

It was the first McGuire plane lost since 1976.

The crew members were identified as Staff Sgts. Stacy Bryant of Providence, R.I.; **Gary Bucknam of Oakland, Maine**; Robert Evans of Garrison, Ky.; and Scott Roberts of Library, Pa.; Capts. Gregory Cindrich of Bryans Road, Md.; Jason Ramsey of South Boston, Va.; and Peter Vallejo of Crestwood, N.Y.; Senior Airman Frankie Walker of Windber, Pa.; and Airman Justin Drager of Colorado Springs, Colo.

A memorial service will be held 11 a.m. Tuesday at McGuire, base spokesman Bob Pease said yesterday.

Although the search has ended, questions remain as to how the German-operated Tupolev TU-154M and the Starlifter were allowed to fly at the same altitude. An investigation has yet to divulge findings, but statements by flight officials in Namibia indicate that air-traffic controllers failed to properly forward information about the German plane's flight plan to Namibia.

The German plane, with 24 crew members, was headed to South Africa from Europe. The American craft was en route to Ascension Island in the South Atlantic after depositing cargo in Namibia.

106th Congress (1999-2000), SENATE RESOLUTION.83.IS

SENATE RESOLUTION 83--EXPRESSING THE SENSE OF THE SENATE REGARDING THE SETTLEMENT OF CLAIMS OF CITIZENS OF GERMANY REGARDING DEATHS RESULTING FROM THE ACCIDENT NEAR CAVALESE, ITALY, ON FEBRUARY 3, 1998, BEFORE THE SETTLEMENT OF CLAIMS WITH RESPECT TO THE DEATHS OF MEMBERS OF THE UNITED STATES AIR FORCE RESULTING FROM THE ACCIDENT OFF NAMIBIA ON SEPTEMBER 13, 1997

Mr. THURMOND submitted the following resolution; which was referred to the Committee on Foreign Relations.

S. Res. 83

Whereas on September 13, 1997, a German Luftwaffe Tupelov TU-154M aircraft collided with a United States Air Force C-141 Starlifter aircraft off the coast of Namibia;

Whereas as a result of that collision nine members of the United States Air Force were killed, namely Staff Sergeant Stacey D. Bryant, 32, loadmaster, Providence, Rhode Island; **Staff Sergeant Gary A. Bucknam, 25, flight engineer, Oakland, Maine**; Captain Gregory M. Cindrich, 28, pilot, Byrans Road, Maryland; Airman 1st Class Justin R. Drager, 19, loadmaster, Colorado Springs, Colorado; Staff Sergeant Robert K. Evans, 31, flight engineer, Garrison, Kentucky; Captain Jason S. Ramsey, 27, pilot, South Boston, Virginia; Staff Sergeant Scott N. Roberts, 27, flight engineer, Library, Pennsylvania; Captain Peter C. Vallejo, 34, aircraft commander, Crestwood, New York; and Senior Airman Frankie L. Walker, 23, crew chief, Windber, Pennsylvania;

Whereas the Final Report of the Ministry of Defense of the Defense Committee of the German Bundestag states unequivocally that, following an investigation, the Directorate of Flight Safety of the German Federal Armed Forces assigned responsibility for the collision to the Aircraft Commander/Commandant of the Luftwaffe Tupelov TU-154M aircraft for flying at a flight level that did not conform to international flight rules;

Whereas the United States Air Force accident investigation report concluded that the primary cause of the collision was the Luftwaffe Tupelov TU-154M aircraft flying at an incorrect cruise altitude;

Whereas procedures for filing claims under the Status of Forces Agreement are unavailable to the families of the members of the United States Air Force killed in the collision;

Whereas the families of the members of the United States Air Force killed in the collision have filed claims against the Government of Germany; and

Whereas the United States Senate has adopted an amendment authorizing the payment to citizens of Germany of a supplemental settlement of claims arising from the deaths caused by the accident involving a United States Marine Corps EA-6B aircraft on February 3, 1998, near Cavalese, Italy: Now, therefore, be it

Resolved, That it is the sense of the Senate that--

(1) the Government of Germany should promptly settle with the families of the members of the United States Air Force killed in a collision between a United States Air Force C-141 Starlifter aircraft and a German Luftwaffe Tupelov TU-154M aircraft off the coast of Namibia on September 13, 1997; and

(2) the United States should not make any payment to citizens of Germany as settlement of such citizens' claims for deaths arising from the accident involving a United States Marine Corps EA-6B aircraft on February 3, 1998, near Cavalese, Italy, until a comparable settlement is reached between the Government of Germany and the families described in paragraph (1) with respect to the collision described in that paragraph.

He was a machinist with Scott Paper Company for 41 years and was a member of the Messalonskee Masonic Lodge. Her obit reads in part, "She graduated from Williams High in Oakland in 1950. During her high school years she was active in the orchestra and choral groups, and learned to play the piano. Some years later she gave piano lessons, in her home, to many local students. Following high school graduation she completed one year of nurses training in Portland, returning home in 1951 to marry Richard N. Burton and began raising their family. Elaine was involved in leadership of 4-H in Sidney, she was a member of Eastern Star and on the advisory board for the International Order of Rainbow Girls. She tended large vegetable gardens, and as a result, produced jellies, jams, applesauce and many other goodies for family and friends. She also raised beautiful flower beds every summer with the Oakland Baptist Church and Alden's Camps being the recipients of her stunning dahlia and gladiola arrangements for many years. While her children were in school, Elaine completed three years of college and then became a substitute teacher for SAD #47 (RSU 18) which eventually led to her role as a Title I tutor at the James H. Bean School in Sidney for many years. During these years she continued to pursue her passion of music while singing in the choir at the Oakland Baptist Church and with the Colby Community Chorale under the direction of Paul Machlin. In 1996 she retired and went on the trip of a lifetime to Australia and New Zealand with her sister Gail and brother-in-law Lester Smith, surviving a flood while there. She spent many summers traveling to Lexington Township in her camper where

she enjoyed spending time around the campfire with her family and friends. She also made numerous trips to Florida with her daughter Melissa Finnimore and her family where she developed a love for all things Snow White. In 1999, she was accompanied by her grandchildren Jacob, Jessica, Jonathan and other family members to ring in the new millennium at Disney World. Elaine was an avid reader and belonged to a women's book club for many years. An additional hobby was creating baby afghans. She started making these with the arrival of her first grandchild, Jonathan Finnimore over 50 years ago. Around three hundred babies have been wrapped in "Nana's" love over the years as they were blessed by her baby afghans. She was also very passionate about feeding and caring for a wide assortment of birds who kept her entertained while they visited her many feeders. As a result of some of her travels, she became an avid collector of bells. Elaine was predeceased by her parents, her husband Richard, her son Matthew, and daughter Maureen. Elaine is survived by her daughter Melissa Finnimore and husband Karl; son Mark Burton and wife Nancy; four grandchildren, Jonathan Finnimore, Jason Finnimore, Jacob Burton, and Jessica Marden and six great-grandchildren, Ethan, Andrew, Elijah, Adam, Fynn and Everett. She is also survived by her sister Gail Smith and husband Lester as well as many nieces, nephews, and many friends from past and present.

BICKFORD, q.v. They res Sidney. Her obit reads in part:
Growing their family, they spent time travelling the west.
Montana proved to be an intriguing place with promises of
mill work and missile silos, but two days before their final
return trip in the early '70s, President Nixon signed a peace
treaty eliminating those job opportunities. To think that one
stroke of the pen would be what finally determined Maine
was where they would keep their family. In 64 years
together, what started as two, would turn into 61, nearly a
person for every year together. Five children, 16
grandchildren and 21 great-grandchildren. Not to mention
the countless people she took in as her own. She spent many
happy years working for the Registry of Deeds in Augusta.
She also found great joy later in life working by her
daughter's side at Grower Merchandise Services. She loved
to shop whenever she could and was always drawn to the
ocean. But in the grand scheme of things, her true passion
was always found in her family. Her favorite holiday was
Halloween because it gave her the opportunity to scare all
her growing grandchildren and follow it with a chuckle.

CORNFORTH

A CORNFORTH, Robert, born 28 Mar 1765, Gersby, Yorkshire, ENG, died 31 Oct 1842, Johnstown, RI; mar(1) 4 Aug 1789, Deighton, Yorkshire, Mary LINTON, born 25 Apr 1765, Danbywick (Yorkshire?); mar(2) Mrs Sally (MORRISON) KEITH, born 11 Feb 1776, Middleboro, MA, died 7 Mar 1818, Readfield, d/o William and Hannah (BENSON) MORRISON. Robert Cornforth came to America in May 1797 and settled in Readfield. Sally MORRISON was married first to Adam KEITH 6 Sep 1795; after his death she came to Farmington where her parents were living. She had two children by Adam KEITH, Joseph KEITH, born 10 Oct 1796, and Harriet KEITH, born 5 May 1798. Robert CORNFORTH lived in Unity and Readfield, where he had a woolen mill. He built the first brick house north of Augusta in Kennebec County, on the road from Readfield Corner to Kent's Hill. It was painted white by 1965. His mill was on the stream at Readfield Corner. When he lived in England, he was a man of some wealth. He signed notes for a brother who failed in business, so the creditors were going to take Robert's property or put him in jail. To avoid this, Robert

sold all his property slyly, and put it into gold coin. To get it out of the country he had his wife, Mary (LINTON) CORNFORTH, quilt it into her petticoat. When she went to get aboard the ship to come to America, he asked the sailors to help his wife as she was in a "delicate condition." After she got on board, she took off the petticoat and was quite active. The sailors wondered how she became so spry. F C Lovejoy has the chest into which she put the petticoat and the shoe buckles that were Robert's. Mary did not have a baby for more than a year after her arrival, so she was not in "delicate condition" at the time of sailing. Robert CORNFORTH was a man of prominence in his community. It has been said that he owned the boat in which they came to America.

A-1 CUMMINGS, Russell E, born Sidney 8 Apr 1928, died 18

Feb 2012; mar Marilyn KEENE. Obituary: SIDNEY — Russell E. Cummings, of Sidney, died Feb. 18, 2012. Born April 8, 1928, in Sidney, to Elton and Gladys Cummings, Russell was educated in Sidney and Augusta schools. He was employed by Haskell moving and in the shoemaking business for many years. In later years, Russell and his wife Marilyn provided home and care for Pineland patients residing with them as boys of their own. Russell was predeceased by his parents; and wife Marilyn Keene of 53 years; sisters Goldie McKinnon, Alna Berube and Paulina Tracy; brother Stanley Cummings; and one great-grandchild, Zachary Cummings. He is survived by his sister, Gorgie Hallowell, of South China; sons Russell F. and Janice, Ronald and Linda, and Rick and Pam Cummings, all residing in Sidney; granddaughters Shawna Merrow, Angela Philbrick, Tarie Sawyer and Heather Stevens; grandsons Tony, Brook, Chad, Corey and Ricky Jr. Along with grandchildren, there are also 12 great-grandchildren; one great-great-grandchild; many nephews and nieces; in-laws Alton and Yolande Keene, and Ray and Florence Keene Philbrick in central Maine. Russell and Marilyn enjoyed going out dancing and just being home on a Saturday night, having brother Stan and friends down singing and enjoying music. The outdoors with Marilyn and his sons was a big part of family life, fishing and camping at Lake Moxie and Knights Pond or perch fishing on Belgrade Stream with her. Maybe some of the best times came in the fall during hunting seasons with sons and family. Russell was a member of Big Bucks of Maine several times and loved Saturday morning — it was always meet at his house to plan the day. Russell spent the last few years going to lawn sales and became known as "that lawn mower repairman" who would go out of his way to do you a favor with your mower for repairs. Much time was spent under the big maple tree on the front lawn relaxing with his sons and good friends John Ferris and Roger stopping by after work, having a couple cold ones. His family cannot thank the Gardiner Alzheimer's Care and Glenridge facilities enough for their loving care and support for a man they all would grow to love and who was just a plain, very great caring guy. Committal will be at a later date in the spring.

Cummings of Sidney, Maine, passed away on Jan. 4, 2022 after a courageous battle with cancer. He was 73 years old. He was born Sept. 29, 1948, the son of Russell and Marilyn (Keene) Cummings. Ron graduated from Williams High School in Oakland, Maine. He married his high school sweetheart Linda (Brann) and they were married for 55 years. Ron worked for CMP for 40 years. Ron loved spending time with his family, fishing, camping, hunting. One of his greatest passions was his commitment to give the kids of Sidney the opportunity to participate in athletics. He volunteered countless hours coaching and organizing for the Sidney athletic association. Through his battle with cancer he would still go to the ball field to watch his great grandson play. He also loved playing fantasy football and baseball with his old buddies from CMP. OAKLAND — Ruth D. Libby passed away March 9, 2011,
at Lakewood Continuing Care Center in Waterville,
following a brief illness. Ruth was born Aug. 9, 1921, in
South Paris, the youngest daughter of Carroll and Margery
Doten. During World War II, Ruth moved to Portland to
work in the shipyards. Following the war, she remained in
Portland for many years, working at local shoe factories. In
1972, she returned to Oakland and worked at the shoe shop
in Norridgewock until she retired. Ruth had an ear for music.
She played the saxophone, keyboard and accordion, even
writing her own music. She could be found every Saturday
night at 5 p.m. watching "Lawrence Welk" with her good
friend Judy Nichols. She also enjoyed dancing, and cut many
a rug during her years in the Portland area. Born into a
family of veterans, Ruth learned at a young age what it
meant to serve others. She was the longest continuous
member of the American Legion Auxiliary, Decker-
Simmons Unit 51 in Oakland, with 66 consecutive years of
membership. She served the unit in many capacities,
including president. She also served as Kennebec County
president. She was extremely proud when her daughter,
Sandra Steward, was elected as state president of the
organization in 1979. She was predeceased by her parents; a
sister, Irma Rushton; her daughter, Sandra Steward; and
great-grandson Zachary McRae. Ruth is survived by her
granddaughter, Michelle McRae, and her companion, Pete
Silva, of Dade City, Fla.; great-grandsons Matthew Cote of
Oakland and Army Spc. Joshua Cote, currently stationed at
Fort Bragg, N.C.; a grandson, Charles Strom of Oxford,
Mass.; and great-grandsons Dustin Nickerson of Bangor,
and Chaz and Michael Strom of Massachusetts. She is also
survived by close friends Judy Nichols of Oakland and Bob
French of Winslow. The family would like to send a special

thank-you to the employees at Lakewood Continuing Care
Center and MaineGeneral HealthReach Hospice. At Ruth's
request, there will be no funeral or visitation hours. Burial
will occur at the Lewis Cemetery in the spring." Published in

3 BROTHERS DEAD IN OAKLAND AFTER TRAIN-AUTO CRASH

Omer, Dennis and Basil Easler Killed and a Fourth Brother, Olin, in Serious Condition
 —Three of the Brothers Were War Vets—
 Triple Funeral at Oakland Tomorrow

WATERVILLE, Dec. 25.—P.—The third of four brothers injured in a collision of their automobile and a Maine Central Railroad train, yesterday at Oakland died in a hospital here today.
 Omer Easler, 27, succumbed to a fractured skull in Sisters Hospital where attendants reported as "fair" the condition of Olin, 30.
 Dennis, 19, and Basil, 21, were fatally hurt when they were hurled from the demolished car at the Pleasant Street crossing.
 The four, sons of Mrs. Helen Easler of Oakland, were employed by a Waterville insulation concern.
 Three of the four were war veterans. Basil served in the Army, Olin in the Navy and Omer in the Marines.
 The brothers were on their way home from work when their car was in collision with the east-bound Flying Yankee of the Maine Central Railroad.
 The car was dragged 64 feet along the track, Police Chief Patrick Volzine said.
 Maine Central officials said the crossing was unprotected but that the train had whistled for it.
 Dr. S. A. Fisher of Oakland, who was attending Olin at a local hospital said he had partially regained consciousness but his condition was serious. Dr. Fisher said Olin was suffering from concussion.
 Arrangements were being made today for funeral services Friday afternoon at an Oakland church for the three brothers.

EASTON, Thomas William, died 1987; mar 5 Sep 1943, Alice Janet BARTLETT, born 1920, died Dec 2015. From her obituary: One notable element of her life was her 1959 diagnosis as a victim of nontropical sprue or celiac (also coeliac) disease, which requires that one avoid gluten if one does not wish to be chronically ill. Years later, once the Internet came along and the number of coeliac patients had vastly increased, she was the elder in the coeliac community who assured newly diagnosed people that "Yes, there is life after diagnosis. Would you like some recipes?" Her own diagnosis did not stop her from living an active life as nurse, potter, photographer, and weaver. In fact, she was delivering Meals on Wheels long after many others her age had retired to their rockers. More recently her activity was mostly mental. She greatly enjoyed her weekly mahjonn group, and she would beat anyone who would play her at Scrabble.

His death notice in the Maine State Library Bulletin, July 1929, said: "Walter Crane Emerson, author and journalist, died at his home, Squirrel Island, May 21, 1929. Mr. Emerson, who was born at Oakland, January 18, 1863, was educated at Coburn Classical Institute and Colby College, graduating from the latter institution in 1884. He was at one time manager of the Boston Herald. His long and active career, which included journalism, general writing, and much political speaking, was ended about ten years ago when he suffered a severe illness which obliged him to give up active work. From May to October he passed his time at Squirrel Island, writing and acting as librarian in the Island library. His books about Maine, "The Latchstring" (1916), an account of Maine's coast attractions, and "When North

Winds Blow" (1922), which is descriptive of the beautiful lake region of the state were to have been followed by a third book, "Home Harbors." We trust that Mr. Emerson's sudden death will not prevent the completion of this trilogy of Maine."

2—FARNHAM, Dorothy Mae, born 19 Apr 1927, died 10 Jan 2009, mar 2 June 1951 Harold "Ben" BRACKETT, Jr. Obituary: Brackett, Dorothy Mae — OAKLAND — Dorothy Mae Brackett, 81, of Oakland was reunited with her husband, Ben, on Jan. 10, 2009, after departing from this life at home, surrounded by loved ones. Dot was born in Oakland on April 19, 1927, to Clair and Helen (Albert) Farnham. She graduated from Williams High School in Oakland. On June 2, 1951, Dot married Harold "Ben" Brackett Jr. Dot worked in the office at Scott Paper in Winslow for 35 years until she retired in 1989 to care for her husband, Ben, after he had a major stroke. Dot was a relentless health care advocate for Ben. She saw to it that he got the best health care he could get, in and out of his stays at hospitals and nursing homes as

well as at home. Dot also dedicated more than 18 years to his care at home, seeing that he lived a full life. In 1968, Dot and Ben bought land on Brickett Point, where they built a camp. They spent many years during the summer months enjoying East Pond. Children of family and friends spent many hours on hot summer days cooling off at their beach and getting cookies out of the "cookie barrel" and Kool-Aid for a treat, and many of those children called them "Nana" and "Papa." Dot was curious about the world around her, and along with the knowledge gained from that curiosity came opinion. She had an opinion on everything from politics to how the food tasted at whatever restaurant she'd been at lately. Being involved with her family, friends, and community was important to Dot. Dot enjoyed visiting friends and family. She enjoyed going out to eat, which Dot did weekly after church with a group of ladies from the church. Monthly she went to lunch with the "Scott Girls" with whom she had worked at Scott Paper. Dot belonged to Oakland- Sidney United Methodist Church, where she enjoyed helping out at the turkey suppers and other church activities. At church, she also belonged to the Double and One Club and the United Methodist Women's Club. Dot was involved in the Oakland Garden Club and the Oakland Senior Citizens. She volunteered at the Oakland Food Bank on Thursdays and as an "adopted grandparent" in the alternative education program in School Administrative District 47 with Mrs. Audrey Fulling and Mrs. Lucille Hosea. Dot was predeceased by her husband, Harold "Ben" Brackett Jr. in July 2005; her parents; and her brother, Ralph Farnham Sr. Dot is survived by her grandsons, Benjamin Belanger and his wife, Michelle, and their children, Mason and Brody of Rome and Jonathan Belanger and his partner, Betty Blanchard, and their children, Isabella and Gabriel of Smithfield. She is also survived by her nephews, Ralph Farnham Jr. and his wife, Donna, Vaughn Farnham of Oakland, Donald Farnham and his wife, Martha, of Sidney, Dale Green and his wife, Diane, of Sidney and family, and Bobby Philbrick of Augusta and her nieces, Jean Rasar and her husband, Vaughn, of Rome, Jane Butler and her husband, Craig, of Oakland, and Karen Cote and her son, Kyle, of Augusta. Dot also is survived by many great-nieces, great-nephews, cousins and friends. Dot also had dear friends in Alberta and Mike Porter and their family, Kathy and Kevin Gray and their family, Mary and Carroll Thibodeau and their family, and Jennie Bessey. Many thanks to Mayna Damren and her family for the many dinners delivered to the house during this time, Hospice Volunteers of the Waterville Area, and Dr. Henry Glover.

B GRADY, Daniel, born Brewer 4 Jul 1934, died Oakland 23 Jan 2012, son of Raymond and Thelma (PRICE) GRADY; mar Linda WALTON, d/o Kenneth and Charlena (ROLLINS) WALTON. Obituary: OAKLAND — Daniel E. Grady, 77, of Oakland, passed away Monday, Jan. 23, 2012, after a long illness at his beloved home on McGrath Pond. He was born in Brewer on July 4, 1934, the son of Raymond and Thelma (Price) Grady. He was a 1952 graduate of Williams High School in Oakland. After graduation, Danny worked at the Waterville Hollingsworth Whitney Paper Mill, the Oakland Cascade Woolen Mill and Oakland Peavey Manufacturing Co. prior to serving in the Army. He was stationed in Germany from 1954 to 1956. After returning stateside, he married the love of his life, Linda (Walton) Grady, and together they resided and raised three daughters in Oakland. Danny was employed by New England Telephone Co. until his retirement in 1991. During a telephone strike, he assisted in building Messalonskee High School. After retirement, he worked at LaVerdiere's (Waterville), cut wood for Jake Warren (Oakland), worked in Clinton at Woodchucks and subcontracted through New England Telephone, working with old friend Carl Loiselle. He was a member of the Oakland Veterans Memorial Committee, the Oakland Alumni Association and the NE Telephone Pioneers. Dan traveled throughout much of the United States, but was a homebody at heart. His favorite place in the world was his home on McGrath Pond. He loved all animals and always had a dog or two (and a pet goat at one time). Dan had a green thumb and grew many vegetables and flowers around his house. He enjoyed bowling, beginning in his early years and through retirement. He made beautiful stained-glass creations for family members. Dan was a tinkerer — he

could repair most everything. He was an outdoorsman and loved fishing, snowmobiling, ATVing and camping at Moxie Pond and Eustis. Dan was witty and relished a lively debate. He was knowledgeable about a wide variety of topics, from nature to world affairs. Dan was dearly loved by his family of women, sons-in-law and grandchildren. Dan was predeceased by his parents, Raymond and Thelma Grady, Oakland; and sister Grace LaBonte and brother-in-law Roland LaBonte of Waterville. He is survived by his wife of 54 years, Linda; three daughters, Lisa Grady of Fairfield, Elli Grady and partner Eric Bickmore of Augusta, and Melinda Gallagher and husband Dean, and two cherished grandchildren, Bryer Dean and Amelia Rose Gallagher, all of Oakland; and his sister, Martha Bessey, and husband Jim of Farmington. **Published in Morning Sentinel** on January 24, 2012

Her obituary reads in part, After graduating from Winslow High School she went to live with the Pelletier family, which eventually consisted of 12 extra brothers and sisters! That meant also many extra aunts, uncles, nieces, nephews and cousins that she would claim as her own! Bea loved those family reunions! Bea had worked 35 years at Levine's Store for Men and Boys in Waterville until they closed in 1996 and she was forced to retire. She enjoyed sports during and after her high school years. She played softball, basketball and was a member of the cheering squad. She later enjoyed golfing and bowling ten pin and candlepin and won several trophies. More recently she became an active part of Getchell Street Baptist Church where she was on the Social Committee. She loved helping any way she could, but behind the scenes doing dishes, helping prepare the meals or cleaning up. She enjoyed ladies bible study and we could count on her to bring in a "treat" to share like brownies, a cake or her deliciously sweet peanut butter fudge.

In 1953, Verna loaned Skip \$50 to start a sawmill. Together, Skip and Verna founded the Clifton K. Hammond Lumber Company in Belgrade, later known as Hammond Lumber Company.

he came of age during the Great Depression. Clifton, widely known as "Skip," grew up in Belgrade working on the family farm. As a young boy, he helped with haying, took care of the farm's milk cows, and assisted in the milking process, and worked in the woods with his father. When Skip was in high school, his father, a rural mail carrier, became seriously ill and was treated at the Lahey Clinic in Boston. To help support the family, Skip returned to the woods to harvest and sell logs, pulp wood and firewood with his brother, Reggie, and his friend, Oliver Yeaton. Skip graduated from Belgrade High School in 1945. He had the distinction of being the only male in a high school class of seven students. He would

often jokingly remark that he graduated seventh in his class!

HAYNES, Jerry. Thursday, April 7, 2011. Jerry Haynes.

WINSLOW — Jerry Haynes, 85, of Winslow, passed away peacefully Tuesday, April 5, at MaineGeneral Medical Center following a brief period of declining health. He spent his final days surrounded by his loving wife and family.

Jerry was born in Ellsworth, the third child of Charles and Hazel (Giles) Haynes. He graduated from the University of Maine in Orono with a degree in civil engineering and was a two-time war veteran, enlisting in the Navy during World War II. In 1949, Jerry met the love of his life and best friend, Avis Irene Palmer. Together they raised four children and enjoyed seven grandchildren and several great-grandchildren. Jerry was a blessed man who loved his family, loved going to work every morning, and loved being active in various civil organizations. He had several careers throughout his life, from town manager of three towns, to field engineer / project manager for several construction firms. It was at his last career, however, that Jerry found his true niche. For 23 years, Jerry was the executive director for Associated General Contractors of Maine. This job offered both Jerry and Avis the opportunity to meet many lifelong friends and to travel throughout the United States. Although Jerry thrived on his work and the many organizations he belonged to, he always found time for his wife, his family and his friends. For many years, Jerry enjoyed playing golf with his son-in-law, John, and their Saturday foursome. He also enjoyed tennis, snowshoeing, jazz and dancing with his favorite partner, Avis. Jerry loved to sing, especially when it involved his siblings or his lifelong pal, Joe Mendes. Jerry's biggest life challenge came 11 years ago when a massive stroke stripped him of his biggest asset — his speech.

Although this was a life-altering event, Jerry handled it with his usual optimism, humor and grace. He remained upbeat and deeply devoted to Avis as their roles reversed and she

became his voice, then ultimately his caregiver. Jerry was a true hero to those who knew and loved him. He will be remembered for his physical strength, his gentle manner and his persistent smile. Jerry is survived by his loving wife, Avis; daughter Elaine and husband John Christopher, of Wayne; son Jerry D. and wife Barbara, of Waterville; son Stephen and wife Becky, of Oakland; daughter Katherine and husband John, of Winslow; his grandchildren, Nicole and husband Mark Williams, of Merrimack, N.H., Staci Roberts of Smithfield, Erica and husband John Lombardi, of Waterville, Ty Hapworth and wife Micah, of Ashburnham, Mass., Samuel Hapworth and friend Nikole Lopez, of Portland, and Scott Hapworth and wife Florence, of Frankenmuth, Mich.; and several great-grandchildren. Jerry is also survived by his siblings: his sister, Anne, of Gorham; brother Robert and wife Frances of Tullahoma, Tenn.; brother Peter and wife Judy, of Yarmouth, and sister-in-law Avril Haynes of Bar Harbor; as well as several nieces and nephews. Jerry is predeceased by his parents, Charles and Hazel Haynes; his brother, Charles "Charlie" Haynes; and brother-in-law, William "Bill" Emerson.

As a child, Nita loved to work in her grandfather's (Archie Lee Bowen) grocery store after school and attend Bull Durham baseball games, which Archie was a part owner of at the time. Nita graduated from Elwood

Regional High School in Newfoundland, where her father was a Commander on Ernest Hermon Air Force Base. After high school, Nita married and worked at raising three boys (Matt, Chris, and Ben). After her husband had honorably fulfilled his military obligation, both enrolled at the University of Maine at Farmington. Even though all her college advisors and teachers tried to talk her out of it because, "she was too small to handle the students she would face," Nita became the first woman to graduate with a degree in Special Education from UMF in the early '70s. Little did UMF know how strong Nita was, as she spent the next 30 years working as a special education teacher and director in the State of Maine. Although her first marriage did not last, family was the most important thing to Nita, and she never gave up, sometimes working two to three jobs at a time to raise her three rambunctious, rule breaking, not always law-abiding boys.

A HOSEA, Franklin Henry, s/o John Henry (b 1808) and Martha

 1916, d/o Lewin and Margret E (RANIGER) ADAMS; 3
 children 3 living 1900. They res Somerville, MA 1880.
 Regarding Martha Hane BYERS, It is believed that John and
 Martha arrived at Pine Valley, Texas, where he worked in a
 Sawmill until his death. Their arrival was about 1869 or
 1870, while Francis Marion was a baby. They owned a farm
 called Rocky Creek Farm on Rocky Creek in Plantersville,
 Texas. After John Henry's death, the family income stopped.
 Martha Jane took a Land Grant at Plantersville. It has been
 said that Martha Jane sold the farm to a Black man who
 worked for her, some say she accepted a mule as down
 payment and others say she accepted a yoke of Oxen (Steer).
 This is still a question. She moved to Lufkin where she spent
 her remaining days. It is thought that John Henry died
 sometime after 1872 and is buried in Pine Valley Cemetery,
 Walker Co., Texas.

JOYCE

JOYCE, Donald; mar Lina GORDON.

Child:

1—JOYCE, Althea G, born Atlantic, Swan's Island 30 Jun 1924,
died Waterville 21 Jul 2012. Althea G (JOYCE) JEWETT,
obituary: Oakland: Althea G. Jewett passed from this earthly
life, July 21,2012, on her father Donald's birthday, at
Lakewood Nursing Home, where she had been residing for
the last year and a half. Althea Gertrude Joyce Jewett was
born June 30, 1924 at home in Atlantic, Swans Island,
Maine. After attending school on the island to grade 8, her
parents Donald and Lina (Gordon) Joyce moved to Rockport,
Maine so she could go to high school there, as there was no
high school on Swans Island. While living in Rockport, her
father Donald named two of his Fishing Dragger's after
Althea...the Althea Joyce and the Althea J. Althea graduated
from Rockport high school and then attended Farmington
Normal School, graduating in 1946. In 1948 Althea married
Theodore Jewett and moved to Oakland Maine where she
has lived ever since. While in Oakland, Althea taught Home
Economics, at the high school, and later 7th and then 4th
grade at the Tapley School. She retired from teaching in
1982. Althea leaves behind a daughter Carol J. Brewster and
her husband Elbert Brewster of Oakland, their two children
Andrea and her husband , and Donald of Portland, Oregon,
and her son Alan Jewett, who lives in Hudson Maine. She is
also survived by her cousin Stephen Joyce and wife Barbara
of Wake Forest, North Carolina. Althea was a very active
member of the Oakland United Baptist Church and will miss
her friends Pearle Estes and Edith Cunningham. She has
been battling all the difficulties of growing older since
Thanksgiving, 2010, but has always kept her sense of humor.
Special thanks are offered by Althea's family to the
Evergreen Unit at the Woodlands, and the folks who "saved
her life" at Lakewood. Thanks are also extended to her good
neighbor Glen Joseph and her church friends who offered her
their help and support. Althea has always been a determined
person and a fighter and worked hard to overcome much
difficulty in her life. She remains one of the longest lived
persons to have received and recovered from the Whipple
Surgical procedure which she had done over 18 years ago. In

lieu of flowers donations may be made to the Oakland Baptist Church scholarship fund or to the Waterville Humane Society. Friends are invited to visit 6-8 PM on Friday July 27 at Wheeler Funeral Home 26 Church St. Oakland. Persons attending her funeral at the Oakland United Baptist Church at 1:00 PM on Saturday July 28 are asked to bring a stuffed animal to place around her casket. They will later be donated to the Oakland Police Station and the Waterville Homeless Shelter.

KANE

KANE, Andrew D, Rev., born Chester, PA 10 May 1943, died Belgrade 26 May 2023, son of John and Ruby (____) KANE; mar 1966 Janet MILLER. His obit reads in part: Andy began his professional career with Scott Paper Company (in Maine, Alabama, and Pennsylvania) and Fox Morris Associates in Philadelphia as a corporate recruiter. He was called into the ministry while attending the Springfield Baptist Church in

Pennsylvania, where he later served as Associate Pastor under the guidance of Reverend Manuel Avila. Andy, Janet and their young son lived on the campus of Ellen Cushing Junior College in Pennsylvania, where Janet worked as head resident to enable him to pursue his Master of Divinity degree. Andy had fallen in love with Maine while working for Scott Paper Company, and in

1973, when the opportunity arose to continue his ministry here, he seized it. Andy was privileged to serve the Lord for 34 years as the pastor of the United Baptist Church of Oakland, a loving church family in a caring community. He belonged to American Baptist Churches of Maine/USA and supported many mission projects throughout his ministry, including serving on the board of China Lake Conference Center. He was instrumental in starting the Oakland Council of Churches Area Food Cupboard and the Oakland Area Summer Recreation Program. Believing that people of all faiths could love and respect each other and work together, he supported the Oakland Council of Churches and planned many events to gather folks for praise and fellowship. An advocate for preventative health, he served as President of Healthy Northern Kennebec: a Planned Approach to Community Health for many years. Andy also served in various capacities on the board of the Belgrade Regional Health Center. He found it a profound privilege to serve as State Law Enforcement Chaplain – serving state and local communities.

KORBET, Stephen, mar Sue _____, res Sidney 2023.
 Children:
 1—KORBET, Jaqueline Sue, born Portland 22 Dec 1983, died
 Phoenix, AZ 4 May 2023. Her extensive obit reads in part, She
 started kayaking Maine streams at 16. She was inspired to
 explore by an untamed spirit of adventure like Lewis and Clark.
 She graduated from Messalonskee High in 2002, attended the
 University of Maine Orono. In the summer of 2003, she became
 a Registered Maine White Water Rafting Guide on both the
 Dead River and Kennebec River in Maine. Jackie was accepted
 into the student exchange program in her sophomore year with
 Ft. Lewis College, Durango, CO. She fell in love with the
 Rockies, and this is when she started her first career. She spent
 the better part of her youth chasing rivers, absorbing the infinite
 beauty and knowledge the world offers. She was a certified raft
 guide on many rivers like Hells Canyon, Snake River; Middle
 Fork, Salmon River; and Madison River; just to name a few. She
 traveled from Alaska in 2009 to the Southern Patagonia Alps in
 2010. Jackie became a professional ski patroller and dog
 handler while working at Big Sky, Mont. She also received her
 EMT certificate in 2006 and again in 2010. Jackie and her dog,
 Atlas, were professional certified Avalanche Rescue and was
 Wilderness Search and Rescue in the states of Montana, Idaho,
 and Wyoming. She continued with her degree with a major in
 outdoor sport management. In 2015 a rattle snake bite almost
 took her life. This is when she changed her major so she could
 pursue a career as a physician assistant. Jackie graduated with

honors from Montana State University 2017 with a B.S. Degree
 in Microbiology. In 2019 she was accepted to Rocky Mountain
 College, in Billings, MT for a master's degree in physician
 assistant. While waiting for her acceptance she became the first
 woman licensed fly-fishing guide in Jackson Hole, WY. She
 went to several different states doing her rotations during Covid.
 This included Maine. In Brunswick she worked in the ER at
 Mid Coast Hospital and in Portland worked at Maine Medical
 Center. She then graduated from Rocky Mountain College with
 her master's degree as a physician assistant in August 2021.
 Jackie started her second career as an emergency room
 physician assistant at Yavapai Regional Medical Center in
 Prescott and Prescott Valley, AZ.

Children, order uncertain:

1—McCANN, Dawn Audrey, born Brownville Junction 24 Jan 1937, died Waterville 19 Oct 2012, bur Lewis Cem; mar Patrick GOODINE. She was a graduate of Waterville High School. Some of Dawn's fondest memories and funniest stories come from her childhood years spent in Brownville Junction. Dawn worked several jobs in Ohio and Maine before assisting her husband Patrick Goodine in their business, Goodine's Oil Heat Service in Oakland. She and Patrick spent several years happily enjoying retirement in Port Richey, Florida before returning to Maine to be closer to their family. She enjoyed camping, spending time with her grandchildren and great-grandchildren, visiting the beaches in Pemaquid, ME and Florida, cooking and sailing. She loved the ocean and lakes and loved spending time either on the beach or in a boat. Dawn was lively and energetic and she could out-talk anyone. She was a strong, beautiful woman who loved life and always had a positive outlook. She lovingly and faithfully cared for Patrick through a long battle with Alzheimer's disease, yet she never complained or let it slow her down.

3—McCANN, John, born Bucksport 2 Aug 1942, died Augusta, 3 Oct 2021; mar Nellie VIETA, res Brownville 2012; child John F McCANN III, of Oakland. His obit says in part, "John was raised in Brownville Junction by his paternal grandmother "Nana" who ran a boarding home for the local railroad workers. In his younger years he loved to fish, helping his Nana provide meals for the tenants. He attended school in Brownville and Waterville before joining the air force in 1959 at age 17. He was stationed at Dow Air Force Base in Bangor and Anderson Air Force Base on the Pacific Island of Guam. After his discharge in 1963, John returned to Waterville to be closer to family. He was a truck driver for Rite Equipment before beginning his 35 year career at Keyes Fibre Company (Huhtamaki) until his retirement in 2002. In his later years, John loved to travel and go camping. His many road trips with his camper included Alaska, Calgary, Newfoundland, and exploring the North Maine Woods."

 6—McLELLAN, Thomas O, born Waterville 29 May 1948, died Sidney 18 Nov 2010. Tom attended local schools, graduating from Williams High School in Oakland, class of 1966. He served four years in the Army, including a tour of duty in Vietnam. While there, he was Chief Warrant Officer II in command of a Huey helicopter flying the colonel to observe ground activity. The devastation he witnessed in that year was more than one might see in a lifetime. Those losses caused him more internal pain than anyone will ever know. Tom was employed for 25 years as a heavy equipment mechanic at Scott Paper Co. (Kimberly Clark) in Winslow prior to its closing in 1998. He then owned and operated McLellan's Garage in Sidney until poor health forced him to close in 2007. His dream job would have been to operate construction equipment rather than repair it. Tom was a compassionate, generous and patient person. His spare time over many decades was spent assisting family and friends in building houses, landscaping, automotive repairs, camping, and boating. He had the gift of recognizing the strengths and potential in others. His most recent years included countless hours loading and manipulating photos into home videos. in 1968. He moved quickly up through the company, ending as the General Manager in 1975. In 1976, he opened his own used car business, Morrissette, Inc., on College Avenue in Waterville. . . . Not only did he make a living running Morrissette, Inc. with son, David, for nearly 50 years, he found great enjoyment in tracking down and buying classic cars for his personal use. He's had several Cadillacs, one Bentley and four Rolls Royce, going so far as having one shipped from Hawaii. . . . Bob also enjoyed the peace and quiet of being in the woods. In the early years of married life in Sidney, he cut firewood, bulldozed roads and even tried his hand at dam building and creating a trout pond.

His obituary reads in part, "After graduating from college he went to work at Polaroid in Waltham, Mass. for 17 years. His love and passion for Maine and the Oakland area brought him back in 1977 to work for the Chinnet Company in Waterville where he retired from after 22 years of service." Her obit reads in part, During the first 17 years of her marriage, they lived in Massachusetts. Helen would spend every summer in Oakland once the children were out of school until Labor Day raising their 4 boys, while Larry commuted on weekends. In 1977, they moved permanently to Oakland on Snow Pond. Following retirement, Helen and Larry spent winters in Cocoa Beach, Fla., and later Cape Canaveral. There they enjoyed the warm weather, new friends, going out to eat and visits from friends and family. Helen's greatest joy was spending time with family on Snow Pond where all the family and friends were always welcomed to create memories and cherish each other's company. She was an avid bridge player with many of her friends both in Maine and in Cocoa Beach, Florida during winter months.

NYE

NYE, Dana; mar Woods Hole, MA 1941 Carol Grace Abbott FASSETT, born Augusta 30 Jul 1919. *Sentinel*, 23 July

2010: BELGRADE - Carol Grace (Abbott) Fassett Nye, 90, died Wednesday, July 21, 2010, at MaineGeneral Rehabilitation and Nursing Care at Gray Birch in Augusta. She was born in Augusta on July 30, 1919, the daughter of Arthur and Grace (Pattangall) Abbott Fassett. Frederick G. Fassett Jr. became Carol's legal father in 1929. Carol was the granddaughter of Chief Justice of the Maine Supreme Court William R. Pattangall and grandmother Gertrude "Ma." Carol was very close to her grandfather and visited him often at the courthouse in Augusta. When there with Grampy, Carol often walked the banisters around the courtroom for entertainment. Carol attended schools in Augusta, Waterville, Orono and Cambridge, Mass., before graduating from the University of Maine in Orono with a degree in elementary education. In 1941, Carol eloped with Dana Nye to Woods Hole, Mass., before he left on active duty for the Pacific Theater during World War II. She lived in Augusta while he served four years overseas. Carol was an elementary school teacher in the Belgrade and Waterville school districts. During the 1950s and '60s, Carol spent time as a reporter and photographer for the Morning Sentinel and Kennebec Journal. She took pictures of the Belgrade Lakes Hotel burning, a picture that was printed in newspapers and magazines that appeared all across the country. Her hobbies included genealogy research, not only for her own family, but also for the Belgrade Historical Society and for numerous families in and around the Belgrade area who also were interested in searching for their ancestors. In her earlier years, she enjoyed snowmobiling, camping, gardening and reading and, most of all, her time at "camp" in Letter E Township. She was a member of the Belgrade Garden Club, the Belgrade Historical Society and the Mayflower Society; and a past member of the American Legion Auxiliary. She had, in recent years, worked at the Belgrade Food Pantry. Carol was predeceased by her husband of 67 years, Dana, in August 2008; her parents; two brothers-in-law; a niece; and her little dog, Kittie. Surviving are her children, Lincoln and his wife, Faye Nye, of Rome, Laurie and her husband, Verne Bickford, of Vienna, and Perry and his wife, Tracy, of Rome; eight grandchildren, Linanne (Nye) Gaunce, Cheryl (Nye) Landry, Julie (Bickford) Parlin, Michael Bickford, Timothy Bickford, Christine (Nye) Slater, Katie (Nye) Brickett and Allyson Nye; 10 great-grandchildren, CJ and Daniel Gaunce, Benjamin and Nicholas Landry, Ashley and Eryn Parlin, Braeden and Camdyn Bickford, and Justin and Saiage Brickett; two sisters, Jean Rosse, of Berkeley, Calif., and Ellen Welsh, of Damariscotta; and several nieces and nephews. The family would like to offer a special thank you to Cindy Clapperton, her caregiver, lunch partner, taxi driver and friend, who did so much to make Carol's life easier and enabled her to stay in her home as long as possible before suffering a heart attack. The family would also like to thank her neighbor and friend, Helen Carey, and neighbors Rick and Marshlyn Baker, who looked in on Carol, mowed lawns, plowed snow, and brought food and the newspaper. Carol's family appreciates all the help they bestowed on her when they could not be there.

His obituary reads, in part: Don was raised on dairy farms in downeast Maine and Belgrade, from which he came to appreciate the value of hard work and taking charge. He

was a 1976 graduate of Messalonskee High School where he met his high school sweetheart, Jean. He and Jean married just after her graduation in 1977 and enjoyed 44 loving years of marriage and true partnership. Don joined the apprenticeship at Bath Iron Works after high school, and steadily applied his hard work, integrity, and honesty to ascend into increasingly senior positions, eventually becoming a leader in the Contracts department. Realizing that to reach his career ambitions he would need to increase his level of education, Don dedicated his free time over the course of multiple years to earn his degree in Business Administration. He used this knowledge and credential to climb further into the executive ranks as his career took him to coastal Mississippi and the Ingalls shipyard, followed by stints in Baltimore, Northern Virginia, and back to Mississippi. During this time, he became a highly respected industry leader, and was widely adored by his employees, who strongly valued his approach to leadership that so clearly demonstrated his interest not only in their careers, but also their home and family lives. While driving outstanding results for his companies, he also took great pride in the role he and his teams played in serving the country's military. Upon retiring to Belgrade with Jean in 2018, Don leveraged his reputation of contracting and professional excellence to start his own consulting firm and broader consortium and enjoyed serving a steady volume of clients. Outside of work Don enjoyed staying active. He thoroughly enjoyed engaging with his brothers and sisters and broader family, as well as his many friends across the community and the country. He took pleasure from helping others through mentorship, goofing with his grandkids, coastal and mountain roadtrips with Jean, and playing a round of golf. Cycling was also a passion, and he took part in numerous Trek Across Maine events. You could also routinely find Don on his tractor changing the look of his yard, moving snow, or just generally tinkering. Don will be remembered for many things, but perhaps most of all for his kindness and generosity. He lived by the motto "No act of kindness is ever wasted," and he applied this to his interactions with people from all walks of life, from strangers to dear friends and family. Don's acts of service and generosity touched so many lives, and those close to him were fortunate to have his example to live by.

She graduated Messalonskee HS 1982; her obit reads in part, continued her education at Notre Dame College in Manchester, N.H. She graduated with high honors with a Paralegal Degree in 1986. Anne Marie worked for law firms in New Hampshire and Portland. She also worked transcribing for a cardiologist at Maine Medical Center. In the early twenties she moved to Niantic, Conn. where she worked at a car dealership for several years. Later she joined Ken at their restaurant where she remained to assist him wherever needed. Anne Marie's love of books started at a very young age of 9 months old, holding a very small book sitting in her high chair. Much later, her favorite book was *A Wrinkle in Time* by Madeleine L'Engle. Anne Marie loved to cook and had many favorite recipes but pretty much did it her way and the results were always very good. She loved to share her cooking with friends and neighbors. Anne Marie loved her home state of Maine and its four seasons. Growing up, she would skate for hours on the frozen stream listening to music with family and friends. In the spring she anxiously waited for the leaves to grow on the trees and for the spring bushes blooming. In the summer she always shared with us what she had planted for flowers and vegetables in the raised beds Ken built for her. In the fall she was able to enjoy the early foliage in Connecticut and we would send her pictures of the stream during the peak foliage in Maine. Anne Marie also loved the Maine Coast where we would meet to celebrate her birthday at Two Lights in Cape Elizabeth. Anne Marie was a bright, genuine, kindhearted, thoughtful person with a great sense of humor.

Obituary from *Sentinel*: SMITHFIELD — George D. Pullen Jr., 90, passed away on Jan. 26 at his home in Smithfield, surrounded by his family and loved ones. He was born in Oakland on July 13, 1921, the son of George D. Pullen and Helen May Crowell Pullen. George married Ruth Helen Bushey of Waterville in 1945 and raised a wonderful family during their 66 years of marriage. He enlisted in the Marine Corps in 1941 as a private and retired in 1971 as a lieutenant colonel. During his 30-year Marine Corps career, he was an elite member and coach of the Marine Corps Rifle and Pistol team in 1964, which was awarded the Lloyd Trophy, Shively Trophy and Wirgman Trophy. He also participated in Operation Deep Freeze during the International Geophysical Year at the South Pole in 1957 and 1958. He proudly served in World War II, the Korean and Vietnam wars and was stationed at numerous Marine Corps bases around the country and world. After relocating back to Maine in 1971, he served as chief deputy sheriff of Somerset County for many years, in addition to serving as town selectman for Smithfield. Deck always said he was a jack of all trades and a master of none. He created his beloved family home and many treasured wooden toys and pieces of furniture. He also enjoyed being a Scout master and relished hunting with his many friends, sharing the camaraderie for numerous years at the Bonneau hunting camp in Athens. George was loved and respected by all who knew him. George is survived by his wife, Ruth; son Ricky and Donna Pullen and their daughter, Ashley; daughter Kathi Knight and her children, Kendra, Molly, Matthew and Kalie; and daughter Lisa and Louis Turner and their children, Melissa, Caitlin, Jenna and Lauren, and his special granddaughter, Erin; grandson Granville Dexter Pullen II and his children, Granville Dexter Pullen III, Sakara and Kieron; brother Horace Pullen of Oakland; and 12 great- grandchildren. He was predeceased by his parents; brother Edward of Oakland; and son first Lt. Granville Dexter Pullen, Marine Corps. There will be committal service with military honors at noon on Thursday, Feb. 2, at the New Maine Veterans' Cemetery, Mount Vernon Road, in Augusta.

Ruth's obituary in the *Sentinel* reads in part: Ruth Pullen, 94, a longtime resident of Smithfield, passed away peacefully Wednesday morning, May 28, surrounded by her loved ones. She was a beloved member of the Smithfield Baptist Church and a 42-year member of the town's Christmas Club. She was known for baking homemade pies for weekly church suppers and knitting socks and scarves. She enjoyed dancing and big band music, passing on the love of each to her grandchildren. As the wife of a Marine colonel, Ruth raised four children at various duty stations across the country, including her favorite Oahu, Hawaii. Aside from traveling the world, Ruth had an unmatched zest for life and rarely acted her age. This past December, she crossed the NYC Rockettes Holiday Spectacular off of her bucket list. Born in Waterville on Feb. 8, 1920, Ruth was the oldest and last survivor of seven children of Aquila C. and Frances Louise Bushey. She joined the Navy as a WAVE in 1942, and married George "Deck" Pullen Jr. on Dec. 29, 1945, after a three-day engagement.

 Fran spent his career with

 selling truck tires to
 customers throughout

 until he retired. However,
 he came out of retirement to
 work with his sons at

 for animals was second only
 to his love of baseball. He
 generously gave his time to
 work with the local Little League Baseball community, which
 led to numerous accolades, including proclamation days for the
 city of Waterville and the renaming of Matthews Field to Purnell

 dedication. Fran and Joyce believed that every child deserved
 the opportunity to play baseball, and thus they started a new
 league, the Challenger Division, for handicapped children in the
 area. Over the years, countless local children had the
 opportunity to don a uniform and play baseball, thanks to Fran's
 unrelenting dedication. He even went so far as to organize
 games between local baseball/softball teams, parents, and other

volunteers, so that the handicapped children had teams to play
 against. In 2014, Fran met Ken Walsh, an exceptional person
 from the Alford Youth Center, who became a son to Fran and
 Joyce. Fran retired and passed the baton to Ken, who worked
 tirelessly to develop Purnell Wrigley Field, a legacy that will be
 forever remembered. . . . Francis E. Purnell will be remembered
 by his loved ones and the Waterville community for his
 unwavering dedication to baseball and his willingness to help
 others. He will be deeply missed, and his legacy will live on
 through the Challenger Division and Purnell Wrigley Field.”

attended Farmington Normal Teachers College and earned
her Bachelors in Education from the University of Maine at
Orono. Phyllis taught at Lisbon High School in Lisbon,
Garland Street Junior High School in Bangor and fourth

for all sporting events of her children and grandchildren,
attending games all over New England. She and her husband,
Arthur, wintered in Naples, Fla., for many years where she
enjoyed participating in bocci ball, shuffleboard, mahjong

RONAN, David, son of Lawrence and Jacqueline (_____) Ronan of Winslow; mar Sue MORIN, d/o Joseph and Viola MORIN of Skowhegan.

Children:

- 1—RONAN, Jonathan, mar Alyza BURWOOD.
- 2—RONAN, Cheri, born Waterville 5 May 1975, died Oakland 20 Nov 2022. Her obituary in the Sentinel, 25 Nov 2022, reads in part, Cheri grew up in Oakland, attended local schools, and graduated from Messalonskee High School in 1995. She was a HUGE sports enthusiast. She participated in the Special Olympics for many years and received numerous gold, silver, and bronze medals. During her earlier years, she participated in the local T-Ball program and loved shooting hoops. Cheri loved the Red Sox and the Patriots, especially Tom Brady. She enjoyed going to the movies and doing errands around town with Mom. When not with Mom, Cheri was watching football and baseball games with Dad. Going to Fenway Park in Boston and JetBlue Park for Spring Training in Fort Myers, Fla., was always extremely exciting for Cheri. She always looked forward to going to the University of Maine hockey games while her brother attended college there. For 29 years, Cheri attended Pine Tree Camp on North Pond in Rome as one of her favorite activities every summer. Cheri enjoyed riding her bike around the neighborhood and hanging out at Video Tyme. After high school graduation, she worked part-time at Hannaford Grocery Store, Governor's Restaurant, and Mount St. Joseph's nursing home in the laundry department for many years. Work for Cheri was always a big social event. She was truly a social butterfly who loved to tease everyone she came in contact with. Cheri's personality is best described as "a character" to say the least. Cheri traveled with Mom and Dad to such places as San Diego, Las Vegas, Phoenix, and the Grand Canyon. She enjoyed her

annual March excursions to Aruba, St. Thomas and St. John in the Virgin Islands. When she was not flying to destinations, she enjoyed sitting in the front seat of the truck with Dad while we hauled the RV. Camping, fishing and boating were always an important part of her growing years. In recent years, she RV'ed to RainTree RV Resort in North Fort Myers, Fla. to spend the winter away from Maine. She was never fond of rain and snow. Cheri enjoyed the "Good Ole Rockin Roll" that Nashville, Tennessee had to offer. Other trips were made to Myrtle Beach, Pennsylvania Amish Country and the Gaspé Peninsula in Quebec, Canada. Other fun trips included Disney World, Harry Potter at Universal Studios, and riding in the police car where the Andy Griffith show was filmed in Mayberry, N.C. Cheri loved animals, particularly her cat 'Smokey' who lived with us for nineteen years! When not traveling or working, Cheri loved attending special needs programs such as Families Matter and Skills in Waterville. She enjoyed going out to dinner with her friends from the programs once a week.

SCUDDER

SCUDDER, Jesse, son of _____ and Joanna (ROBINSON)

SCUDDER, born England or Edinburgh, Scotland about 1755, died Sidney, joined British Army or Navy with brother John. Hall says, "Some say that he deserted a wife, who he believed had committed adultery, when he joined the service. Upon arrival in America, Jesse and John reportedly jumped ship. Some say that they deserted off the coast of Nova Scotia and others say it was at the mouth of the Kennebec River in Maine. Both versions say that the brothers went to Virginia and hid with a tobacco planter until they joined Washington's Army. They were reportedly among the troops who crossed the Delaware River on Christmas Eve, 1776.

Jesse reportedly froze his feet on that night." H M MADDOCKS at his Rootsweb site, Maddocks, Mitchell, and Allied Families of New England, "John and Jesse Scudder (brothers) jumped overboard from an English Man-of- War off the mouth of the Kennebec river. Natives hid them from a search party from the ship. They went South and joined Washington's army. After the war John stayed in the South and was not heard from again. Jessie went back to Maine and settled in Albion or Ripley. Jesse had 2 sons, John and Jessie. John settled in Aroostook County, Maine, and Jessie went to Virginia and was not heard from since. John had 2 sons, Silas and James. Silas starved to death in Libby Prison during the Civil War. James settled in Sherman." A-2 SMITH, David Charles (*Photo right*) born Sidney 1 Oct

1936, died Togus 11 Nov 2021; graduated Waterville HS 1957; mar Gail WOODS. His obituary reads in part, Will and David shared a fascination with wild birds, and with human flight. After Sid created her home in Wyoming, David and Gail made several trips to the Rocky Mountains, including an early hike with Sid's pack llamas—which sparked David's second career as the Llama Man of central Maine. For 15 years he and Gail travelled to schools, nursing homes, libraries,

churches and more with their team of social llamas, and entertained many visitors at their Sidney pasture. Together with his wife he was awarded a Spirit of America award for years of voluntary social contributions, ranging from dragging snowmobile trails and caring for both the Springer and Bangs Cemeteries, being a founding member of the Sidney Historical Society, to simply mowing and plowing for neighbors in need. He was also a founding member of the Sidney Snowmobile Club and a member of the state organization as well. Think Snow was a favorite saying, right along with Eat Dessert First, Life is Uncertain.

Children:

1—SMITH, Curtis A, Jr, born Augusta 24 Jul 1953, died Sidney 13 Jun 2021; mar August 1974 Mary A MICHAUD. Skip attended school in Sidney and graduated from Messalonskee High School in 1972. In August 1974, he married his high school sweetheart and love of his life, Mary, and soon began a family of their own. He worked at Frank Pomerleau, Inc in appliance repair during the early years of his marriage but it was his desire for auto body repair that resulted in a career change. In the late 1980's, he then became the owner and operator of West Sidney Auto Body, doing what he loved the most. In 2010, he also decided to follow in his late father's footsteps and take on a side job driving school bus for RSU 18 where he was able to bring joy, laughter, and lifelong memories to the kids he drove to and from school. Skip was a devoted husband, father, grandfather, son, brother, uncle, friend and a firm believer in God. For most of his Christian life he worshiped at West Sidney Baptist Church but in recent years has been in faithful attendance with his family at Church Hill Baptist Church in Augusta. He and his family spent a lifetime of weekends and vacations at the camp on Moxie where he loved to fish, dune buggy, ATV ride, and snowmobile. He also raced snowmobiles during the oval ice track days from the 70's to the mid 90's when he then decided it was time to hang up the race helmet, but never gave up his passion for snowmobiling for fun with his family by his side. He also loved to build and fly R/C planes where he would always draw an audience.

Obituary in Lewiston Journal, 12

Aug 1889 reads: "Elihu Stevens, aged 101 years and 6 months, died at the home of his son, Asa C. Stevens, of Belgrade, whom he was visiting on Saturday, after a very brief illness. Mr. Stevens had been living with one of his sons in Readfield for the past year, and left there a few days ago to visit his children in Belgrade and Smithfield. Mr. Stevens was born in Belgrade, Jan. 26, 1788, and his early life was passed on a farm. He was a volunteer in the War of 1812 and rather than appear with an old gun, bought one with his own money of Mr. Greenwood Childs, then of Augusta, Maine. He received a pension of \$8 per month. Mr. Stevens was a second cousin of Hon. Lot M. and A. P. Morrill. He was married three times, first to Betsey Grant of Smithfield, Maine. His second wife was a granddaughter of the British General Burgoyne, and his third wife, Mary E Grant, was a sister of his first wife. He was the father of twenty-two children, the most of whom are now living, and his descendants in the third, fourth and fifth generations numbered 326 at the time of his 101st birthday. Mr. Stevens visited the Legislature last winter and a recess was taken and the old gentleman tendered a royal reception, which the aged veteran highly enjoyed. He has voted at every Presidential election for the last eighty years. Mr. Stevens was a remarkable man for one of his years, and a short time before his death might have been taken for a man eighty or eighty-five years of age. He was well and hearty, straight as an arrow, and his mind was clear. He never used liquor or cider unless prescribed by a physician and but one chew of tobacco, which he used to say was sufficient for a life-time. At an early age he joined the Free Will Baptist Church of which he was a member at the time of his death. He had a large fund of anecdotes of long ago. He told me he could remember hauling an ox load of beans to Augusta and selling them for five shillings per bushel. At that time there were but two stores there. He remembered the first plow he ever saw and at that time was but fifteen years of age. When 25 years of age he raised 116 bushels of wheat and 100 bushels of shelled corn in one year from his farm. Belgrade at that time was to a great extent a forest, and his stepfather carried his grain to "Pullen's mill" (now Oakland, Maine,) to have it ground. On one occasion his stepfather permitted him to accompany him. They had to ford the Narrows between "Ellis Pond" and "McGraw's Pond" (so-called). His stepfather first carried the wheat on his back and then returned for his son, and as he says, "his feet dragged in the water." Mr. Stevens was an only child. His mother was born in Dartmouth, R.I., and his father was from Lebanon, N.H. He never saw his father who was accidentally shot while in the service of the regular army, shortly after Elihu's birth. Mr. Stevens's remains will be taken to Smithfield, his old home, for burial."

L-5 STEVENS, Joseph E, born Monmouth 9 Jun 1818 (gs) or 9 Jun 1819 (IGI), died Oakland 4 Dec 1894 age 75-5-25, bur Lakeview Cem; mar Susan Amanda LEWIS, born 23 Jun 1823, died 5 Jul 1909, bur Lakeview Cem, d/o Deacon William and Susannah P (BAILEY) LEWIS. He was an overseer in a scythe mill.

His death notice in the Lewiston Evening Journal, 6 Dec 1894, says: The death in Oakland of Joseph E. Stevens, esq., which occurred the 4th inst., was a severe blow to the manufacturing interests of the town, as well to the general community, by whom Mr. Stevens was universally esteemed and respected. He was also a generous supporter of the Methodist church, of which he was a member from early life. Mr. Stevens learned the scythe-maker's trade 60 years ago, when to learn it men served seven years and learned all departments, which served him well through his long career as a scythe manufacturer. In 1844, Mr. Stevens entered into partnership with Sumner Hale, under the firm name of Hale & Stevens, for the manufacture of scythes. This company continued in business until early in the fifties when Mr. Stevens was made foreman in the lower shop of the Dunn Edge Tool Co., which was located where the Cascade woolen mill now stands. During the war the shops of that company were consolidated, and Mr. Stevens was made superintendent, which position he filled until 1870, when the Emerson, Stevens & Co., was organized, with Luther D. Emerson, esq., deceased, senior partner, Mr. Stevens the second, and William R. Pinkham and George W. Stevens, a son of Joseph, the junior partners. This company has long held an enviable reputation both with the scythe and axe manufacturers and the scythe and axe consuming public the country over. Mr. Stevens leaves a widow and six children. The only daughter, Susan Philbrick, resides in Portland, Ore., George W., in Roswell, N.M., Joseph E. Jr., New York City; William, in Minneapolis, Minn., Charles, a lawyer in South Dakota; and Everett associated with his brother William in the West. Joseph and Everett have been with their father for several weeks. Mr. Stevens took great pride in his family, gave his children a good education and rejoiced in the good degree of prosperity that his boys have won; he was generous to the deserving poor, and quietly gave of his substance to their needs. He was always ready to do his part, and more, for the welfare of the community, and in all the walks of life was a true man. The funeral will be held at the Stevens homestead, Fairfield street, Friday afternoon at 1 o'clock.

A-4-3-2-3-2 STURTEVANT, Dana Page, died 1972; mar Norridgewock 30 Jun 1946 Caroline Edith HILTON, born Norridgewock 24 Dec 1924, died No Belgrade 30 Dec 2018, d/o Ralph B and Lora Ella (YEATON) HILTON. Caroline's accomplishments, listed in her obituary, are legendary among Messalonskee schools and their teachers.

ELGRADE - Caroline Edith Hilton Sturtevant of Sidney and North Belgrade (and previously of Spring Hill, Fla.) left this life on Dec. 30, 2018, at the home of her daughter, Nancy Wilber, in North Belgrade, Maine. She will be greatly missed. Caroline was born on Dec. 24, 1924, in Norridgewock, Maine. She was the third child of nine children born to Ralph B. and Lora Ella Yeaton Hilton. She spent her growing up years on the family farm in Norridgewock and graduated from Norridgewock Eaton High School. She graduated from Farmington Normal School in 1945, and began her teaching career in Wakefield, Mass., where she taught one year. Caroline received her master's degree in education from the University of Maine Orono in 1979, after spending a year studying with Dr. Madelyn Hunter at UCLA. She married Dana P. Sturtevant of Belgrade on June 30, 1946, in Norridgewock. In the fall of 1946, Caroline was hired to teach fifth grade in Oakland, Maine, at the Tapley School. She left this position after two years due to the birth of her first child. While teaching in Oakland she coached girls' high school basketball and refereed boys' basketball. Caroline and Dana raised five daughters on their poultry and beef farm in Sidney, Maine. Caroline remained a stay at home mother and working the farm until 1957, when she re-entered teaching at the new James H. Bean School in Sidney as a kindergarten teacher. Caroline and Dana were instrumental in getting the new six-room school built, helping to raise funds for the construction of the school. Caroline again left teaching in 1960, for the birth of her fifth child. She re-entered teaching in the fall of 1962, as a third grade teacher at James H. Bean. She remained in that position for several years ending her time there as a teaching principal. In 1970, she was employed by the Waterville School system for several years as a reading specialist and as an assistant principal at Brookside School (now Mitchell School). From 1972-1976,

she simultaneously ran the large poultry farm she and Dana had started in 1960. Caroline also worked for the Maine Department of Education as Director of the Division of Curriculum and as Director of the Division of Certification. Caroline served as adjunct faculty for the University of Maine teaching courses in classroom management and effective teaching. She ended her career as a Maine Educator in 1992, after serving as curriculum and professional development specialist in SAD 47. Caroline was the recipient of many honors and awards from educational organizations across the State of Maine. She took great pride in receiving the University of Maine Farmington Alumni Achievement award in 1989. She was a member of many educational organizations including Maine ASCD, Maine Curriculum leaders, Delta Kappa Gamma Society International and many others. Caroline was engaged in many activities in the town of Sidney. She was the leader of Maple Lane 4-H club, raised funds for the construction of James H. Bean School and served on the school board for SAD 47. She was a member of the Order of the Eastern Star in Oakland. In Florida she served as the President of the Maine Club, worked with Meals on Wheels, Hospice and was active in her church. Caroline loved people and found the best in all, whether as a teacher, mother/grand-mother/great-grandmother or friend. Her love of life could be seen in her passion for cultivating relationships, adventures, and interests. Not shy to make herself heard, she also had a knack for really listening to others. Often, she could see the best in someone, even if they could not see it in themselves. This trait made her a wonderful teacher and friend. She had high expectations for her five daughters, grandchildren and great-grandchildren. She also set the bar high for her students and the teachers around her. She enjoyed hiking, camping and canoeing having hiked in Wales and Switzerland and canoed the Allagash wilderness several times among other excursions. She had an active social life in both Maine and Florida with many loyal friends in both places. Caroline also enjoyed sewing, knitting, crossword puzzles, jigsaw puzzles, ceramics, painting, and in recent years she discovered coloring and would often give a visitor one of her "paintings". She had a love of travel and was able to travel in Europe and South America as well as visiting 50 states. In 1993, Caroline purchased a home in Spring Hill Florida and spent the next 21 winters there. She loved to have family and friends visit and made many friends in Spring Hill and the surrounding communities. In her retirement she survived two episodes of cancer. Caroline was predeceased by her husband, Dana P. Sturtevant who passed in January 1972. She was also predeceased by three sisters: Rena Hilton, Louise Varnam, and Jenny Hilton; and by one brother, Franklin Hilton. She is survived by her five daughters and their husbands: Lora Downing and Arthur of Sidney, Prudence Flood and George of Clinton, Susan Franck and Michael of Gorham, Nancy Wilber and James of North Belgrade, Sarah Sturtevant and Daniel Casals of Newton, Mass. Caroline is survived by 10 grandchildren: Wendy, Holly, Dana, Timothy, Ian, Ashley, Nathan, Peter, Caroline, and Tomas. She is also survived by 11 great-grandchildren Lilla, Prescott, Benjamin, Abigail, Morgan, Meara, Will, Evelyn, Audrey, Amellie, and Nadine. Caroline is survived by four siblings: Ellen Savard of Skowhegan, Bernard Hilton of Deerfield, Mass., Polly Andrews of Marble Head, Mass., and Mary Shorey and husband, Frank, of Anson. Caroline also is survived by the "sons of her heart", Charles Jacobs of Richmond and Patrick Cote of Monmouth. She is survived by 22 nieces and nephews and their families. <https://www.legacy.com/us/obituaries/mainetoday-centralmaine/name/caroline-sturtevant-obituary?pid=191150070>

Marilyn and her husband then moved to Oakland, where they lived for many years. She worked with her husband at True's

Pharmacy and later worked as a nutritionist for the Department of Health and Welfare in Augusta and at the pediatric and dental clinics at Mid-Maine Medical Center in Waterville. She was a long-time member of the Universalist Church of Oakland, where she taught Sunday school. She was active in Girl Scouts and community affairs, and was the recipient of Oakland's Outstanding Citizen Award. In 1984, Marilyn and Ray moved to Jefferson, where they remodeled the old Jackson family homestead. Here, she was a member of the Jefferson Historical Society, the Women's Extension and the United States Power Squadron. The couple sailed the Maine coast during the summer months for 18 years on their boat, the MarRay. Newspaper Clippings on this family, 2 August 1918: WATSON FAMILY OF ROME ACTIVE IN ADVANCED AGE — Sister and Two Brothers Whose Ages Total 254 Years, Carry on House and Farm Work Daily, Dependent Solely Upon Own Efforts. OAKLAND, Aug. 2 (Special) The little town of Rome has a remarkable family in point of especially active elderly people. This family of three, whose ages total 254 years, consists of a sister, Miss Betsy Watson, who celebrated her th birthday last May; two brothers, Albion Watson, who was 87 years old last December, and Cyrus Watson, whose 77th birthday has been passed. Miss Betsy Watson, in spite of her advanced years, is able to attend to all the household duties for this remarkable family of three, to the washing and ironing each week as well as making the butter. Albion and Cyrus Watson carry on the general farm work wach day and both men are exceptionally active. This year they have a field of grain and corn which will yield a crop sufficient to feed a good sized heerd of cattle, as well as a year's supply of potatoes and vegetables and this they have attended to themselves each day. Another brother, Alva Watson, a twin to Albion Watson, resided in Waltham, Mass., for many years and for 40 years carried on a successful livery stable. Albion Wilson [sic] worked from his brother in Waltham for about 18 years but has made his home in Rome his entire life with the exception of those few years. This family is of a long-lived race, their father, David Watson, having lived to be nearly 100 years old. He was tax collector and deputy sheriff in Rome for 18 consecutive years. Albion Watson has one daughter, Mrs. Delia Tracey of Mount Vernon, and one son, Herbert Watson, who is a wholesale candy dealer in Nashua, N.H.

Obit: OAKLAND —

Alfred H. Wheeler, 94, of Oakland, passed gently from this life on April 24, 2010, at the home of his granddaughter in Waterville. He was born in Oakland on Jan. 7, 1916, to Dean and Ethel (Howe) Wheeler. He graduated from Williams High School in 1933, having served as class

secretary and president, then attended Colby College, where he was a member of the glee club, chapel choir, and band. After graduating in 1937, he completed a one-year degree at Cincinnati College of Embalming, then joined his father in business at Wheeler Funeral Home and W. H. Wheeler & Sons furniture store in Oakland. He married his high school sweetheart, Barbara Towle, in 1940. After his father's death, Alfred closed the furniture store, but continued as funeral director until 1981, when he sold the business to Richard Lord. Far from "retiring," however, Alfred stayed active in the Oakland community and in his role as proprietor of Wheeler's Housekeeping Camps on Salmon Lake. Alfred was a fourth-generation member of All Souls Universalist Church in Oakland, where he served as choir director, Sunday school superintendent, and treasurer. He was a Boy Scout Scoutmaster, and he was active for many years on Oakland's Lakeview Cemetery committee and with the McGrath Pond/Salmon Lake Association. A member of Belgrade Lakes Region, Inc. for more than 45 years, he also served as its treasurer. He was involved in the restoration of the Oakland Historical Society's McCartney House. Alfred's greatest love was music. He met his wife-to-be playing clarinet in the high school orchestra. He played in the Sentinel Band, and sang in various school, church, and community choruses. He joined enthusiastically in campfire songs, and enjoyed playing piano and singing with his family, whom he encouraged in their musical pursuits. In 1988, he was

awarded the Cascade Grange's Community Service Award for dedicated service to his community, particularly for his musical contributions. He sang at the Grange's anniversary celebrations over a span of 40 years and was a guest member of the United Baptist Church's choir for special cantatas. He continued to sing and appreciate music until his final days. Alfred is remembered as a kind, compassionate, and conscientious gentleman who achieved his ideal of "making people happy I'm around." His gentle humor, cheerful presence, and storytelling will be missed not only by his immediate family but by the extended "family" of campers who continue to return to Wheeler's Camps. He is survived by his sister, Ruth Wood of Waterville; his daughter, Marilyn Wheeler of Fairfield; his son and daughter-in-law, John Wheeler and Mary Jo Carlsen of Waterville; his grandchildren, Robyn Deveney and her partner Phyllis Capanna, of Waterville, Sarah Wheeler of Boston, Melsen Carlsen of Arlington, Mass., and Eric Carlsen of Waltham, Mass.; and several nieces and nephews. Alfred was predeceased by his son, William, and his beloved wife of nearly 68 years, Barbara. Published in Morning Sentinel on April 29, 2010.

The Oakland Public Library has a typescript biographical sketch of Milton Laforest WILLIAMS; the original handwritten document is in the possession of the Oakland Area Historical Society. It was presented to Superintendent of Schools John S Tapley, apparently around 1924, and may have been written by George H Bryant. At any rate, the actual author and date of the document are unknown:

Milton Laforest WILLIAMS, son of Henry and Frances Diana Bates WILLIAMS, was born at Petersburg, now called Clayburg, in the County of Clinton, State of New York, August 20, 1851, and died in New York City on May 5, 1919, at the age of 67 1/2 years.

His mother was the daughter of Asa Bates, cousin of Asa B Bates. The home of Asa Bates was at Ten Lots in the town of Oakland, formerly West Waterville in the town of Waterville, and it was there that Milton Laforest Williams lived with his grandparents

during the greater part of his boyhood. The home was just across the bridge which spans the brook northeasterly from the house of Joseph Sturtevant. The buildings were removed several years ago. Laforest, the name by which he was best known, lived with his grandparents from about the age of six years to about seventeen. He worked at farming and attended school at the Ten Lots Union schoolhouse and one session of the high school in what is now Oakland and may be considered one of the alumni. He was for a time a clerk in a store in the Goulding Block and afterward was a clerk for George H Bryant.

From there he secured employment in Pennsylvania, but his longing for his home and old friends brought him back in 1869, where, in the store of Mr Bryant, who was then the manager of the local telegraph office, he took up the study of telegraphy which proved a stepping-stone to his success in life. He became remarkably expert in a short time, and soon had a position given him by the Telegraph Company at a summer resort at Great Boar's Head and afterward at North Berwick.

From there he was transferred to the Portland office of the Boston and Maine Railroad Company and was made ticket agent. When the Union Station in Portland was completed, he was transferred to that building and not only had charge of the ticket office but was responsible for 150 employees and indirectly for over 600. He remained in the employ of the Boston and Maine until 1893, when he was married to Miss Alice Maria Andrews of New York City. They made their home in New York and Mamaroneck on Long Island Sound for several years, then purchased a beautiful home in Pasadena, California, where his most estimable wife died in 1907.

With his bright and happy disposition he was as a boy a general favorite wherever he was known.

By his natural abilities and successful business career he [became] from poverty with no material assistance from anyone, honestly gained considerable wealth which he used generously where it was needed, and he gratefully remembering his old friends and with reverence for the memory of his grandfather, the "grand old man" as he called him, and who is his kindheartedness had been more than mother and father to him in his orphanage, he erected and furnished at the expense of about \$8,000 the beautiful Asa Bates Memorial Chapel at Ten Lots which stands on the spot where he with his grandfather attended meetings usually led by his grandfather, and endowed it with the sum of \$10,000.00 more.

He gave during his lifetime \$1,000 for the fountain and iron fence in and surrounding Lake View Cemetery in Oakland. He is buried in this cemetery with his mother and sister, and by his last will and testament the Cemetery Association has the interest of \$1,000 in perpetuity for flowers and care.

A clause in his will allowed his executor, the Hon William D Chapple of Salem, Mass. to give from his estate the sum of \$25,000 for the assistance of educational institutions in Maine or elsewhere in the United States, the selection of said institutions and amount to be paid to be left entirely to his executor. By the wise and just decision of Mr Chapple, the town of Oakland is indebted for the gift of the whole sum for the erection and furnishing of the splendid high school building named to honor the memory of Milton Laforest Williams, who, if he could know of what has been done for the benefit of the grateful recipients and their successors, he could not be otherwise than pleased and give his approval.

Mr Williams, the subject of this sketch, was an upright, honest, genial, true-hearted friend and honorable man in all his relations and conditions of life, and it is with the greatest satisfaction that this opportunity has thus publicly been given to honor his

memory and true worth.
